NoveList Plus is A+ for Readers

What can you do when your favorite author doesn't write fast enough? When you finish a series do you have a hard time finding something else to read?
Using NoveList Plus [1], you can find suggestions for similar authors or series, lists of award winners, as well as the order of books in a series. Book lists and book discussion guides can help you find a new favorite book or author.
In NoveList Plus [2], you'll find:

- Fiction and nonfiction titles for ***all ages***
- Expert reading recommendations from professional librarians
- Read-alikes for every title, author, and series
- Easy-to-use interface designed with readers and librarians in mind
- Simple but effective searching
- Quick and easy-to-use resources including:
  - Book Discussion Guides
  - Thematic book lists
  - Reading and book-oriented articles
