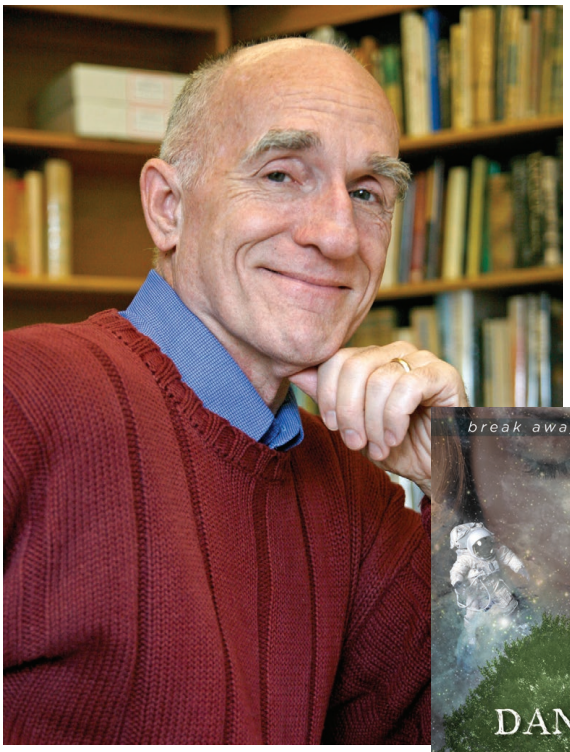
coffee with friends

Scott Russell Sanders

Sanders shares information about his work including readings from his new book, *Dancing in Dreamtime*. In a series of science fiction short stories, Sanders creates a world devastated by climate change, war, and loss of vital resources. Indiana University Press states, "Never before has Sanders's writing been so relevant and never before have the lessons in these stories been so important."



Event is **free** and open to the public
Free downtown parking on Sundays!
