Your Name:
philobiblos
Book, Movie or Music Title:
The Hobbit
Author:
JRR Tolkein
This is a:
book
Your Review:
It has been about 15 years since I read the book, and I wanted to see how close the new movie was to the text. The Hobbit is a classic, all-around great book and Tolkein is an excellent story-teller.
Rate Your Read:

Updated February 11, 2014 The hobbit, or, There and back again
