The Graveyard Book
Author:
Neil Gaiman
Genre:
fantasy
Write a review of the book, including plot points, if you wish:
Nobody Owens is a boy being raised by ghosts in this delightful spoof of Rudyard Kipling's "The Jungle Book". I enjoyed reading this book. It's characters are fun and eccentric and the descriptions of the afterlife are entertaining. While not as captivating as some of Gaiman's other work, "The Graveyard Book" is an all around good read.
Similar authors or titles?:
The Jungle Book by Rudyard Kipling
Would you recommend this book?:
Yes, I would.
