**Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:**
The title sounded interesting and I wanted to find out what the Exit Academy was.

**What is the story about?/What happened in the story?:**
Olivia Kidney and her father were sent into this interesting house because of her father's job. They meet this young man named Ansel who Olivia thinks is evil, but it turns out that he runs an academy to teach people how to die. She meets lots of interesting people along her journey to find out why she was sent there, and what the Exit Academy is.

**Why did you like this story? or Why did you not like this story?:**
I liked how in the beginning was like a regular story, but then it got interesting. There were also lots of questions floating around, but they were all answered in the end.

**Other thoughts or feelings about this story? Anything else to add?:**
The whole first floor of the house was flooded and the furniture was all floating on things. They had to use a boat to get to the stairs.
