Write a review of the book, including plot points, if you wish:
Gray is a kid who always gets singled out by the bullies. When he moves because of an incident at his old school he tries to tell himself that things are going to get better but they don't, so finally he gets so fed up with being second to his brother and being bullied he decides to bring his fathers semi-automatic to school... but his plan goes wrong.
Similar authors or titles?:
Annie on my Mind, Molly's Family, My sister the Vampire,The year they burned the Books are all books also written by Nancy Garden
Would you recommend this book?:
yes, it is a very suspenseful novel
