No-Fuss, No-Hassle Audiobooks from AudioBookCloud

AudioBookCloud

Pick. Click. Listen. With [AudioBookCloud](#), it's that simple (honest!) to listen to great audiobooks FREE on any internet-connected computer or mobile device. All titles are always available--no software, no downloads, no checkouts, no headaches! Just go to the [AudioBookCloud link](#) on the library's website, browse the 1000+ titles on the easy-to-navigate interface, and click to listen to your streaming audiobook. THAT'S IT!

An optional free personal login allows you to create a My Favorites list (accessible from anywhere!) and bookmark your place for listening later. Choose from fiction, nonfiction, classics, children's, and Spanish-language. Audiobooks have never sounded this easy!

AudioBookCloud uses streaming audio, which requires a continuous internet connection. AudioBookCloud must be accessed via the library's website.
