In this 17th Jack Reacher novel, Child gives his antihero some things to think about. He is on his way to D. C. to take Major Susan Turner to dinner, a first. When he arrives, she is in the brig and he is arrested on trumped up charges. In Jack Reacher style, they break out and head cross country to clear their names. Meanwhile a woman from his past is suing him for child support for his alleged daughter.

Lee Child?s novels can be described as bleak, edgy, suspenseful, fast paced with complex plots and violent action. His hero, Jack Reacher, can be described as an introspective loner, tough and macho, but with a strong moral code. The following authors have similar heroes. Try some of these series? while you wait for Reacher.

James Lee Burke with hero Dave Robicheaux, Michael Connelly with hero Harry Bosch, Barry Eisler with hero John Rain, Vince Flynn with hero Mitch Rapp and Stephen Hunter with heroes Bob Lee Swagger and Ray Cruz.
