

# Find Ebooks and Games on Tumblebooks

The library has a growing collection of downloadable ebooks and audiobooks for children. But for young children, the pictures are still an essential part of story. You can access a wide variety of ebooks and audiobooks with pictures for children through our [Tumblebooks](#) subscription. This online collection of animated picturebooks include sound and music, and you can choose to have the story read aloud to you, or read on your own. The **Tumblebooks** site also features stories in French and Spanish as well as puzzles and games to play. You can search for titles in a variety of ways, including by subject and by reading level. To access the collection without having to enter a login, visit the [Children's Services home page](#) and click on the Tumblebooks button. Give it a try and let us know what you think!
