Website	http://www.littlestarcenter.org/
Email	info [at] littlestarcenter [dot] org
Address	3109 Canterbury Drive Bloomington, IN 47404
Description	The mission of Little Star Center, Inc. is to provide a structured, sensory-friendly facility where children with autism receive individualized therapeutic intervention. Based on the fundamental principles of applied behavior analysis (ABA), Little Star provides an atmosphere where children, therapists, and families can interact, support each other and receive on-going training so that each child can reach their full potential at home and in a variety of settings outside of therapy.
