Description

South Central Community Action Program, Inc., serves as an advocate, guide, and leader in providing opportunities for the low-income population to obtain services that will help them become self-sufficient. They offer services to income-eligible households throughout a four-county service area including Monroe, Morgan, Brown, and Owen Counties. They also provide energy and weatherization assistance information, help income eligible households with their heat and electric bills, and administer the Summer Cool Program which provides fans to income eligible households.
