Description

The 4th Street Festival was created in 1977 by Bloomington, Indiana area artists and craftspeople to showcase southern Indiana talent. The fair has grown to include artists from all over the country. The Fourth Street Festival of the Arts and Fine Crafts strives to create an atmosphere of appreciation for art as well as an opportunity for artists to showcase their work by presenting a high quality event, while providing an educational environment to create connections with art and artists. Fourth Street prides itself on being admission free and welcoming to all.
