Description

The Limestone Daylily and Hosta Society is a Region 2 club of the The American Hemerocallis Society (AHS). The AHS is a forum for persons interested in the advancement of the daylily. It is organized exclusively for educational and scientific purposes, and especially to promote, encourage, and foster the development and improvement of the genus Hemerocallis and public interest therein. This club is also associated with the American Hosta Society. The club works with Hilltop Garden Center and has been involved in local community gardening projects.
