Description

Our members are serious about enjoying Macs and what they can do for us, but overall we are a mixture of novices, journeymen, and long-time Mac users, all having fun with our favorite computer. We provide a meeting place for Mac users in south-central Indiana to share, learn and play with all things Mac. Meets 2nd Wednesday of month in MCPL from 7:00 pm to 8:30 pm in room 1C. The meetings are free and open to the public.
