Creative Indiana is an organization dedicated to Unleashing the Power of Creativity to Innovate.

IDEAS Network strives to provide a fun and useful way to collaborate with individuals or organizations seeking to Initiate, Develop, Evaluate, Activate or Sustain ideas.

Participants can meet and network with other creativity seekers and innovation enthusiasts while discovering ways to unlock their own creativity.

The IDEAS Network builds an understanding and expertise in creative thinking and process.

All are welcome to attend, especially curious, enthusiastic, and community-oriented thinkers.
