Health Insurance Community Fair

Learn about health insurance options under the new healthcare law. Tailored one-on-one sessions with trained volunteers answer what's in it for you and your family? Trained Educators and Process Guides explain insurance options, qualifications, and costs. Educators and Guides cannot enroll attendees for health insurance, but everyone leaves with a plan to get covered, information materials, and prepared to obtain healthcare security.

Information will also be shared on how to connect with state-licensed Navigators who can help fill out the necessary forms in Monroe County.
