

# How can I start using My Account if I don't have a library card?

## Question:

How can I start using My Account if I don't have a library card?

If you already have an account, but have lost your library card number, you need to get a replacement card/number. Visit any checkout at the Main Library, Ellettsville Branch, or Bookmobile to get a new card assigned to your account. Replacement cards are one \$1. Adults should bring picture ID.

If you do not already have an account, you can register online using the [Patron Self Registration](#) form or visit any checkout at the Main Library, Ellettsville Branch or Bookmobile. Patrons applying in person or with self registration will need to satisfy library card requirements before checking out materials.
