Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I LOVED the T.V. Show, so I thought the books might be good too.

What is the story about?/What happened in the story?:

Fire Lord Zuko is trying to find his banished mother, Ursa with the help of Aang, Katara, Sokka, and his evil and insane sister Azula.

Why did you like this story? or Why did you not like this story?:

I liked the story because it had action, suspense, and lots of surprises.

Other thoughts or feelings about this story? Anything else to add?:

It continues on from the Television Series and other books, so if you haven't seen the show or read the other books you should do so before reading this one. I really love the books as much as I love the Show. By the Way, you can get the other books and DVDs of Avatar the Last Airbender at the Main Library
