Book Title:

Paramedics to the Rescue

Author:

Nancy White

Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I thought I might like it because I like paramedics because they are nice. And I got on an ambulance once, last summer, with Kali.

What is the story about?/What happened in the story?:

A little girl named Katlynn got hurt by a car. A paramedic named Ted showed up in his car to help her. But then his partner Mike Rogers showed up in his ambulance. And she had to stay in the hospital for a long time. I get her parents were really sad. In the end, it was really happy because she got safe.

Why did you like this story? or Why did you not like this story?:

I like it because it is nice and safe. I love paramedics because they are helpers.

Other thoughts or feelings about this story? Anything else to add?:

Well, it's just nice. There is a helicopter in the shadows on the front and the paramedics wear badges just like police officers. Also, some paramedics are also firefighters.
