

Take the Bookmobile on Vacation!

Ordinarily we bring the Bookmobile to you, but we're asking folks to take their very own Bookmobile replicas to new and exciting places this summer!

It's fun and easy:

- 1) **MAKE** a paper Bookmobile. Cutouts are available at any of our [Bookmobile stops](#) or [click here to download a PDF](#) (make sure you print onto 8 1/2 X 14 paper!).
- 2) **TAKE** a picture of the paper Bookmobile on vacation with you (or create a fun scene in your backyard!) and send us your favorite picture!
- 3) **E-MAIL** your picture to mcploutreach [at] gmail [dot] com. Or print your picture and give it to a Bookmobile driver. Don't forget to tell us your name and the location where your picture was taken.
- 4) **CHECK OUT** [our gallery](#) for inspiration or to see where other people have taken their Bookmobile!
