Predictable Books: Question and Answer

These books are examples of question and answer stories.

"Predictable books are those which, by virtue of the book's pattern, children can successfully anticipate the next word or next sentence. Their predictability encourages participation and engages children's minds. Often, these books make heavy use of rhyme or repetition." - Ready for Reading (Juvenile Parent/Teacher Resource Room - J 372.58 Bi)

Compiled by: Children's Services Staff

Brown Bear, Brown Bear, What Do You See?

Bill Martin, Jr. (Juvenile Picture Books - Ej Ma)

Children see a variety of animals, each one a different color, and a teacher looking at them.
