**Title:**

Hunger Games

**Author:**

Suzanne Collins

**Genre:**

adventure

**Write a review of the book, including plot points, if you wish:**

This book is a very well thought out book. I like it because you never know what's about to happen next. My favorite part is probably whenever Katniss becomes partnered up with Peta in the games. I would definitely advise other people into reading this book it is a great book to get stuck into!

**Similar authors or titles?:**

Catching Fire(the second book of the Hunger Games) Mocking Jay(The third book of the Hunger Games)

**Would you recommend this book?:**

Yes, I would definitely recommend reading this book. Especially to people who like adventure books.
