**Write a review of the book, including plot points, if you wish:**

Need, is a fantastic book about a teenage girl named Zara. Zara's stepdad died and her mother sent her to a tiny town in Maine to revive her spirits. But while there, she encounters a strange man that could be a pixie king needing her to claim his throne. His calling card? Shimmering gold pixie dust. These pixies aren't like those in stories, they are fierce and their king needs a queen, or he will keep kidnapping boys for their blood. With her three friends Issie, Devyn, and Nick, will she escape? And will the secrets of her family engulf her? Find out...
