2012-2014 Capital Projects Fund Plan

Sara Laughlin presented a slide presentation highlighting library improvements funded or partially funded by the 2010 Capital Projects Fund, including renovation of Children's area and homework center; improvements on the second floor (VITAL, Job Search areas, circulation, drive-up window, new technology carrels); and investment in computer equipment for library and CATS.

Sara Laughlin reported that the 2011 Capital Projects Funds will be used to purchase the materials handling portion of the Radio Frequency Identification (RFID) system and for investment in computer equipment for library and CATS.

She presented the three-year Capital Projects Fund Plan for 2012-2014:

2012 Plan Year:

Main Library Renovation – Phase 3 and 4	\$ 418,411
Computer-related Purchases	\$ 125,000
Allocation for Future Projects	\$ 0
2012 Total	\$ 543,411
2013 Plan Year:	
Replace Roof on Main Library Addition	\$ 400,000
Computer-related Purchases	\$ 133,000
Replace Overgrown Landscaping at Main Library	<u>\$ 18,096</u>
Allocation for Future Projects	<u>\$ 0</u>
2013 Total	\$ 551,096
2014 Plan Year:	
Replace Main Library Chiller Components	\$ 300,000
Ellettsville Courtyard	\$ 50,000
Computer-related Purchases	\$ 125,000
Allocation for Future Projects	\$ 87,074
2014 Total	\$ 562,074

Valerie Merriam asked how Monroe County reaching its tax cap will impact the library going to the County Council with the Capital Projects Fund Plan.

Sara Laughlin explained that the county as a whole does not reach the cap; individual homeowners reach the cap and the overall impact is difficult to predict. Sara explained that the Capital Projects Fund and the Operating Fund comprise the library's maximum levy. The Capital Projects Fund Plan is a request for a portion of our levy.

Public Comment

None.

The Capital Projects Fund Request for 2012-2014 will be presented for approval at the regular board meeting following this public hearing.

Meeting adjourned at 5:56 p.m.

MONROE COUNTY PUBLIC LIBRARY Board of Trustees Meeting Wednesday, April 20, 2011 Meeting Room 1B

Attendance

Board Members Present: Kari Isaacson, Valerie Merriam, Steve Moberly, Melissa Pogue, Fred Risinger, and John Walsh.

Board Members Absent: Dave Ferguson.

Staff: Pat Combs, Joe Langfitt, Sara Laughlin, Gary Lettelleir, Mickey Needham, Bara Swinson, Pam Wasmer, Michael White, and Kyle Wickemeyer-Hardy.

Others: Tom Bunger and Rita Lichtenberg.

Call to Order

President Kari Isaacson called the meeting to order at 5:58 p.m., immediately following the public hearing on the Capital Projects Fund Plan.

Consent Agenda

The consent agenda (Minutes of March 23, 2011 Board Meeting; Monthly Bills for Payment; Monthly Financial Report; Board Calendar; and Personnel Report) was presented for approval.

The board discussed various line items in the financial report.

Valerie Merriam suggested adding a service charge fee to fines paid with credit cards. This fee would cover the fee that the library is paying for the processing of credit card payments. Sara Laughlin will look into this matter.

The board suggested a review of collection agency charges, funds collected, and materials returned at the end of the first year period of using the service.

Steve Moberly moved; Fred Risinger seconded approval of the Consent Agenda as presented. Motion carried unanimously.

Director's Report

Sara Laughlin presented the Director's Report and noted that she has added statistics for circulation and library visits going back to 2006. She has also added a chart on energy costs. Sara discussed the success of a new feature in the Movies and Music Area – Bestseller Express. The library has started buying extra copies of the top 25 grossing movies. These copies cannot be put on hold and have a shorter checkout period (3 days only). Turnover rate has been very high. The library hopes to implement something similar with books in the future. A downloadable music option should be available in July. Sara also reported that Amazon has announced their Kindle platform will soon accommodate the Overdrive downloadable book option for libraries.

Sara Laughlin announced that MCPL is partnering with the Monroe County School Corporation Foundation, WTIU, and the Chamber of Commerce for a week of "Bloomington Reads" activities.

Old Business

2011 CATS Contract with City of Bloomington

Michael White presented the 2011 CATS Contract with the City of Bloomington in the amount of \$374,337 to be paid in quarterly installments.

Steve Moberly moved; Valerie Merriam seconded approval of the 2011 CATS Contract with the City of Bloomington as presented. Motion carried unanimously.

New Business

Valerie Merriam expressed concern regarding Senate Bill 292, currently under consideration in the Indiana House of Representatives which, if passed, would allow guns in public libraries. She asked whether the library board can take action to require that guns be placed with library's security team. Sara Laughlin stated that, as she understands the law, it would prohibit any action by local units of government restricting guns.

Public Comment

Rita Lichtenberg thanked CATS for keeping Bloomington citizens informed.

Meeting adjourned at 6:30 p.m.

MONROE COUNTY PUBLIC LIBRARY Board of Trustees Work Session Wednesday, May 11, 2011 Meeting Room 1B

Attendance

Board Members Present: Kari Isaacson, Valerie Merriam, Steve Moberly, Melissa Pogue, Fred Risinger, and John Walsh.

Board Members Absent: Dave Ferguson.

Staff: Ned Baugh, Dana Burton, Pat Combs, Sara Laughlin, Gary Lettelleir, Bara

Swinson, Pam Wasmer, Michael White, and Kyle Wickemeyer-Hardy.

Others: Tom Bunger and Rita Lichtenberg.

Call to Order

President Kari Isaacson called the meeting to order at 5:45 p.m.

Resolution to Offer One-time Career Service Benefit

Kyle Wickemeyer-Hardy presented the Career Service Benefit Offer. This offer would apply to employees voluntarily terminating employment between July 1 and November 6, 2011 and who have in excess of 150 hours of accumulated sick leave time. The offer would pay one-half of accumulated hours over 150 with payout not to exceed 150 hours. This would be in addition to the benefit offered currently to staff retiring under the Public Employees Retirement Plan (PERF).

Steve Moberly asked how many employees have more than 150 hours of accumulated sick leave time and what the anticipated cost would be. Sara Laughlin reported that 23 people are eligible for retirement or early retirement under PERF and another 50 have accumulated sufficient sick leave, based on statistics as of the end of March, 2011. Payout obligations for these employees would be \$81,661 for accumulated personal leave time and approximately \$90,000 for accumulated sick leave time. It is believed that the Career Service Benefit would add an additional \$58,412 if every eligible employee applied.

Valerie Merriam asked if this was one way of trying to solidify our financial status before we lose \$500,000 in 2012. Kyle Wickemeyer-Hardy responded that administration was aware that salaries are a big part of the operating budget and that the library has a mature staff with many looking at retirement. Also, the library world is changing; jobs are looking different. The library needs flexibility to place people where they are needed. At present, every vacated position is being assessed before it is filled.

Valerie Merriam asked if the union has discussed the offering. Kyle confirmed that the Labor-Management Committee had reviewed the proposal.

Kari Isaacson asked if the payouts would be paid from the Operating Fund. Sara Laughlin felt that the expenses could be paid from the Rainy Day Fund or by making a smaller contribution to the Library Improvement Reserve Fund (LIRF), if necessary. Sara added that she had promised to reduce staffing through attrition, but she is concerned that the library cannot make sufficient cuts with attrition alone.

Sara Laughlin stated that the Career Service Benefit was adapted from a similar offer at the Evansville-Vanderburgh County Public Library. That library has offered the opportunity three times and has had a few people accept the offer each year that it was offered.

Steve Moberly asked if attorney Jim Whitlatch has looked at the document. Kyle confirmed. Steve felt that the board needed to receive figures and all salient facts (including any health insurance obligations) in writing before the next board meeting. He was interested in the financial impact of, for example, people between the ages of 55-60 and 60-65.

Sara Laughlin stated that the library is obligated by policy to pay \$5,000/year for continuing health insurance for PERF retirees ages 60-65. For those retiring between ages 55 and 59, the library must offer COBRA benefits.

Steve Moberly asked how many employees are over age 65. Kyle stated that the number is less than five.

Valerie Merriam asked if the clinic was included in the regular insurance premium and if retirees would remain eligible for clinic services. Kyle confirmed.

The Career Service Benefit will be an action item at the regular May 18 board meeting.

Update to Personnel Policy Manual to Reflect Union Agreement

Kyle Wickemeyer-Hardy presented proposed updates to the personnel policy manual to reflect the union agreement. The updates consist primarily of inserting references in a number of sections to direct bargaining unit employees to the Joint Agreement for additional information. This is necessary because the Personnel Policy Manual is for all employees and some items such as grievance procedure, layoffs, nepotism rules, etc., differ for bargaining unit employees and non-bargaining unit employees.

Steve Moberly asked about changes that were made to the personnel manual after the bargaining unit agreement was signed. Kyle stated that some changes were approved at the board meeting at which the agreement was approved. The present document is in addition to those changes.

Kari Isaacson asked if it is all new language. Kyle stated that the policy language is the same; only references have been added.

Kari Isaacson asked if the changes have been reviewed by legal counsel. Kyle confirmed that Jim Whitlatch had reviewed the document and added that managers and the Labor/Management Committee have reviewed as well.

Steve Moberly asked if Paul Sinclair, the library's attorney during the negotiations, had reviewed the changes. Kyle stated that he was aware of changes but had not reviewed. Steve asked that Mr. Sinclair review the changes.

This will be an action item at the regular May 18 board meeting.

Update to Personnel Policy Manual Relating to Exempt Employees

Kyle Wickemeyer-Hardy presented proposed updates to the personnel policy manual to clarify exempt employee timekeeping. Kyle stated that the proposed changes will meet Fair Labor Standards Act requirements as well as those of the Indiana State Board of Accounts.

Non-exempt (hourly) employees are required to sign in and out and time is rounded to the quarter hour. By law, non-exempt employees are paid overtime for anything over a 40-hour week.

Exempt employees are required only to record days worked and are not paid overtime. Prior to adoption of the new payroll/timekeeping system, it was difficult to track issues related to these areas, and policy language did not address exempt employee timekeeping.

Kari Isaacson asked whether Jim Whitlatch has reviewed the proposed changes. Kyle confirmed and noted that the Labor/Management Committee and managers had reviewed as well.

Steve Moberly asked whether this would have any fiscal impact. Kyle said it will not, as long as we manage non-exempt schedules to make sure employees do not have to stay beyond scheduled hours.

This will be an action item at the regular May 18 board meeting.

Public Comment

None.

Sara Laughlin announced that administrative secretary Pat Combs will be retiring effective May 13 and thanked her for her service.

The employer contribution to health insurance is about \$86,000 this month compared to about \$40,000 last year because the May 2011 premium was paid early on April 29.

Accounts 3170 and 3175 could cause some confusion this month. We created a new account line 3175, In order to isolate the fees related to the collection agency. We are spending a significant amount of money for those services, and it will be easier to monitor if it is not combined with the other expenses charged to the 3170 line, which also includes credit card and payroll processing fees. The YTD total of the two accounts (3170 and 3175) is \$47,612.71 which exceeds the budget for the year but YTD revenue associated with the collection agency services in lost/damaged and fines/fees combined equals \$93,982 compared to last year's total at this point \$67,691. The revenue increase from 2010 to 2011 totals \$26,291. (Additional information about both collection agency fees and credit card fees is included under New Business.)

Goal 1: Strengthen support for literacy and lifelong learning.

April 2011

1A. Increase pre-literacy skills among low-income children and families.

- Among 13 story time programs at Ellettsville Branch, Penny Gillie presented "Baby Signs: Sing It,
 Say It, Sign It!" to Infants and toddlers and their caregivers. Use of sign language with infants
 and toddlers helps to jumpstart several pre-literacy skills including support for the development
 of language, vocabulary and verbal communication.
- Stephanie attended Monroe County Smart Start committee meetings to plan publicity events. She will read the new book "B is for Bloomington" at an upcoming event to promote service to children from birth through age five.
- April storytimes at Head Start had a springtime theme, with songs, stories, and fingerplays about bugs, ducks, and delicious things that grow.

1B. Support development of reading, language, and comprehension of K-6 students.

- "Reading to the Dogs" program continued at the Ellettsville Branch and in Children's Services.
- Stephanie Holman presented at Ellettsville Elementary School's Young Author's Conference.
- During the 19 days it was open in April, the Homework Center helped 311 school age children.
- Lisa Champelli presented bibliographic instruction programs for Binford Elementary and Lighthouse Christian Academy students and Ellen Arnholter presented a career resources workshop for Boys and Girls Club children.
- More than 80 children and their caregivers attended the "First Experience with Opera" presented by Mary Frasier and singers from the Jacobs School of Music at the Main Library.
- Polly Nuesttook the Bookmobile to a Family Night storytelling event at IU's Student Recreational Sport Center, sharing books and stories with attendees.

1C. Increase effectiveness of volunteer tutoring programs, including Children's Math and Reading Team, Math Homework Help, and VITAL.

Stori Snyder conducted parent and child surveys in the Homework Center as it wrapped up for
the year. Responses were overwhelmingly positive, most of them asking that we expand the
service in one way or another. Ninety-three percent of parents said they would recommend this
service to a friend. One parent added, "I have recommended this to several of my friends who
have children who are struggling in reading."

1D.Inform community members about the Library's response to literacy needs.

- Penny presented the Library's "Read It Off "program at the ILF District 8 Conference and encouraged other libraries to consider implementing their own literacy based fine/charge reduction programs for young library users with blocked cards. Her presentation highlighted how "Read It Off" has empowered over 600 young Monroe County residents to read more than \$14,000 in charges from their library accounts.
- Christina Jones, Zach Canale, and Martin O'Neil directed filming of the 2011 Summer Reading publicity video which will be played at every RBB and MCCSC elementary school this spring.
- Lisa Champelli scheduled visits to MCCSC and some private elementary schools in May.
- On April 5, VITAL was awarded the "Be More Knowledgeable" award by the City of Bloomington.
- From April 18-21, VITAL held its annual Quiz Bowl, to raise awareness of and funds for adult literacy. The E-Ville Edge-U-Cators won again.

1E. Strengthen literacy skills of adults.

 Attendance for the three Express Computer classes (each offered twice a month) continued to be low, but evaluations make it clear that this is a program that is concretely helping people with a much needed skill. "His [Burl's] explanation was clear and precise. He was willing to answer all questions with demonstrations."

April 2011

 In VITAL,69 individual learners were matched in one-to-one tutoring pairs. 65 individuals attended ESL Conversation Practice groups.

1F. Strengthen readers' advisory services.

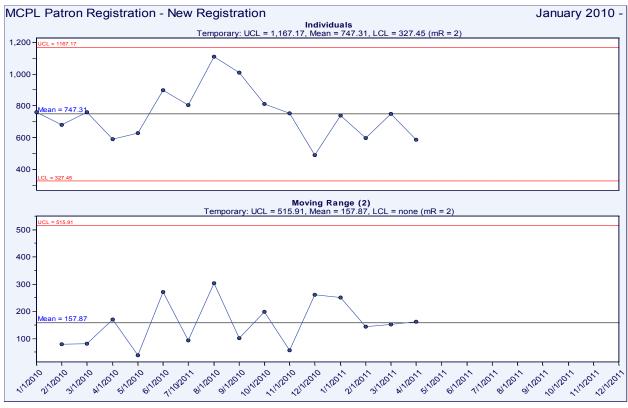

The last CLASS reading lists were prepared and posted on the Ellettsville Branch Web page.

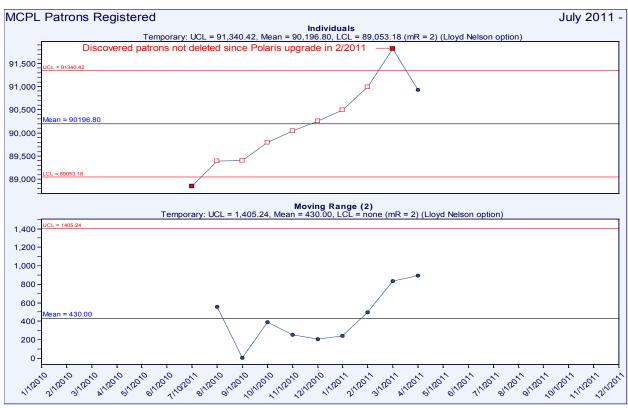

1G. Develop and evaluate partnerships to better serve target audiences.

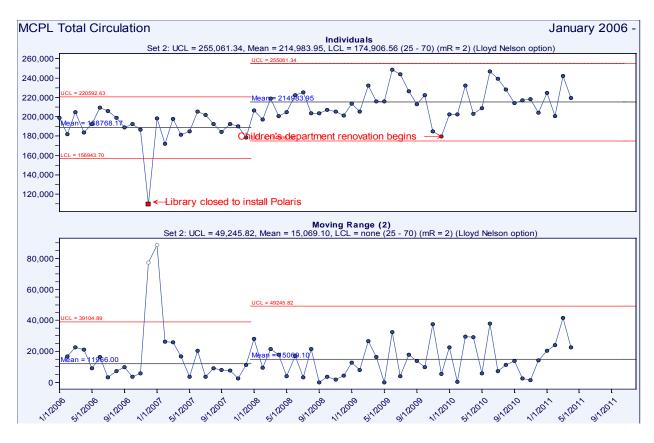

- Penny Gillie enlisted the assistance of other members of the Marketing and Events Committee in updating the library's partnership database.
- Chris Hosler attended the College Success Coalition's final meeting of the school year. The group selected four areas of concern to address with action items for the rest of the year.
- Chris Hosler met with Sarah Erbe, New Tech High School, to plan a partnership for 10 and 11grade students, who will create physical and online projects to promote the books nominated for 2011-12 Eliot Rosewater Award to other Monroe County teens. The Library will display the winning projects, selected by a joint panel of New Tech and MCPL staff, in June.
- A group from the History Center and Library met on April 27 to discuss how our organizations
 might work together to prepare for the Monroe County bicentennial in 2018. Although no
 decisions were made, both groups agreed emphasis should be placed of getting our houses in
 order for shared databases of collections using open source content management systems.
- Jason Evans Groth began work as project librarian for the "It's Your Money" grant.
- The Library was an important partner with the Foundation of Monroe County Schools, WTIU, and the Chamber in "Bloomington Reads Week." On Wednesday, April 27, it was "BYOB (book, that is)" on the Courthouse Square. Despite morning rain, scores of children, library staff, Court House workers, educators, and business people ate lunch with a book and talked to each other about what they were reading. That evening, the Library hosted a showing of a PBS documentary "Digital Media," with a discussion facilitated by Alan Veach. On Saturday, April 30, the week concluded with "Bloomington Reads at the Farmers Market." More than 150 readers, including nearly 30 "celebrity readers," took turns reading a page of James and the Giant Peach, by Roald Dahl, while CATS filmed. The weather was sunny, the book hilarious, and readers and watchers had a good time. We can't wait to see the video.
- VITAL Coordinator Sue Murphy met with Marilyn Pitzulo, Region 8 Workforce Development ABE coordinator, to continue to cultivate relationships with Work One and MCCSC Adult Education.
- Community Relations Coordinator Margaret Harter served as liaison for the Library's partnership
 with the City's Commission on Aging for May 2011 Creative Aging Festival. She submitted
 content for the Festival promotional calendar and helped secure Commission funding of the
 license for the showing of the documentary, "Young At Heart" at the Library.
- Community Relations helped with images and revisions for this year's promotional brochure for America Reads tutoring at the Library in July.
- Community Relations worked with IU Auditorium and Children's Department to arrange a storytelling visit to Children's by a cast member, Conductor Sir TophamHatt, from the show, "Thomas and Friends Live! On Stage."

- 250 art pieces were returned to teachers as Youth Art Month concluded at Ellettsville Branch.
- "First Experience with Opera" was a great program that saw IU Opera students performing a version of "Little Red Riding Hood" at Ellettsville. Families found it to be a most enjoyable cultural experience.
- 30 teens came to Anime Club in April, despite no anime being shown. Activity night consisted of origami, drawing, playing Go, snacking, a boisterous game of Apples to Apples and brainstorming for All Day Anime to be held this summer.
- At Books Plus on April 3, 20 poetry lovers came to celebrate National Poetry Month. Led by
 Dory Lynch, they discussed poetry in form including haiku (now the world's most popular form),
 sonnets, villanelles and sestinas. Most people brought their own favorite poems to share. These

 Wordsworth, Seamus Heaney, Andrei Voznesensky, Ron Silliman, and a few others.

Update on Bookmobile Sale

At the January 2011 meeting, the Board approved disposal of the 1997 Bookmobile as allowed by state law.

We chose to use the sealed bid process, set a minimum bid price of \$8,000, and advertised as required. We received no bids by the deadline.

We have now arranged with the Friends of the Library to give them the Bookmobile, as allowed by law.¹

Our plan is to advertise it on our website, via Craig's List, and through the Non-profit Association, as well as continuing to work with SVS. By gifting it to the Friends, we will have complied with the law and we can continue to advertise the Bookmobile and negotiate for its sale. We would plan to handle all proceedings through our Financial Office. The proceeds of the sale would go to the Friends (and ultimately back to the Library).

We have checked with our insurance and confirmed that our policy will continue to cover it.

We welcome any leads to potential buyers.

¹ [IC 36-12-3-5] SALE OR TRANSFER OF SURPLUS PERSONAL PROPERTY

The library board may transfer personal property no longer needed for library purposes for no compensation or a nominal fee to an Indiana not-for-profit library or organization that is tax exempt and organized and operated for the exclusive benefit of the library disposing of the property without complying with IC 5-22-22.

Re: Collection agency costs and benefits

I am attaching a chart relating to the costs and benefits of our arrangement with Unique Management for the collection of long overdue fines and fees.

We initiated the service in May 2010, after substantial study and discussion and in the face of a total of approximately \$1.4 million in uncollected accounts and an average of \$600,000 in uncollected fines/fees per year over the previous two years.

In the eleven months we have had a collection agency, we have collected \$64,698 in cash and \$61,300 worth of materials, a total of \$125,998 in value. Our payments to Unique Management have totaled \$54,630. We have netted \$10,067 in cash, as well as the \$61,300 in materials, clearly a good return on investment for our taxpayers.

It is somewhat difficult for me to predict what the next years will look like, based on these first eleven months, since they include some start-up anomalies:

- There is a time lag from the time the account is submitted until the items are returned or the fees are paid, which explains the negative cash position in the first month, May 2010.
- Between November 2010 and March 2011, we added older accounts, so the number of accounts submitted is abnormally high. That led to unusually high charges from Unique Management, as well as unusually large collections, which typically lag a month or more from the date of submission.

I continue to believe that our arrangement with Unique Management is a good one. The process helps us recover fines and fees that we have been unable to collect after substantial effort ourselves. It returns materials to our collection, protecting our taxpayers' investment and saving us money we would have to spend on buying replacement copies. Finally, paying off overdue accounts returns patrons to good standing so they can use the library again.

Monroe County Public Library Update on Credit Card Activity and Charges

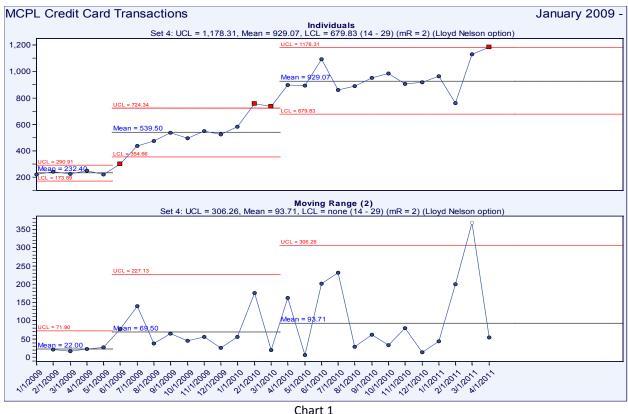

The Library's credit card activity has increased substantially since April 2009, when we removed the \$10 minimum charge limit, in order to allow patrons to pay fines and fees at express check stations. Chart 1 shows the total number of monthly transactions since January 2009. Chart 2 shows the total dollars collected over that same period. Prior to that date, patrons could make credit card payments only from computers outside the library and payments were limited to charges of \$10 or more.

Credit card maintenance fees as a percentage of transactions has remained constant over that period (see Chart 3).

We believe there are three options for reducing the budgetary impact of credit card maintenance fees:

- 1. Eliminate credit card payment as an option. This would leave cash or check as the only options available for patrons to pay fines or fees. We prefer to minimize the number of checks we accept, because we have experienced difficulties with bad checks. Many people pay for everything with a credit card and no longer carry cash or checks, so we would expect collections to decline. It would be necessary for patrons to come to the library to make a payment. This is not a good situation for the Library or our patrons, as account balances of \$25 now expose patrons to submission to the collection agency. We do not recommend this option.
- 2. Offer a discount to patrons who pay by cash or check. This would necessitate setting up an alternate procedure, in the face of declining staff hours available. We do not recommend this option.
- 3. Increase the fine and/or fee amount to cover the charges. Five percent of the current daily fine of \$.25 is \$.0125, so we would need to increase our fines to \$.26 per day to recover costs. We have not increased the fine rate since late 2006. Of the three options, this one is the most palatable to us, but we do not recommend it at this time. If the Board wishes to adjust fines and fees, we would prefer to take a comprehensive look.

We recommend continuing to offer the ability to pay fines and fees by credit card. The ability to pay by credit card benefits patrons and the library. Patrons can remove charges from their accounts easily, by themselves, at home or at the library, thereby keeping their borrowing privileges. The library collects more income with less effort on the part of staff. The expense of credit card maintenance fee is more than offset by the reduction in staff necessary to take cash or checks.

MCPL Voluntary Termination and Retirement Benefits Policy Considerations

3.16 EMPLOYMENT TERMINATION

Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Below are examples of some of the most common circumstances under which employment is terminated.

Resignation: Voluntary employment termination initiated by the employee. Although advance notice is not required, MCPL requests at least two (2) weeks notice from the employee. For professional positions, a four (4) week notice is requested.

Discharge: Involuntary employment termination initiated by MCPL.

Retirement: Voluntary employment termination initiated by the employee meeting state and/or MCPL retirement criteria, such as age and length of service. Employees will receive their final pay in accordance with applicable law.

3.17 RESIGNATION AND RETIREMENT

Resignations and retirement shall be submitted in writing to the employee's supervisor and to the Library Director. Professional employees are expected to give a minimum of four week notice; all are expected to give a minimum of two weeks' notice.

Retirement for employees will be consistent with Federal law and provisions under PERF. Employees who retire under PERF may receive benefits for sick days.

The Human Resources Department will request an exit interview with employees who are terminating employment. (Data from these interviews will be anonymous and can provide the library important information on policies and practices that should be revised.) Employees are required to complete a Final Checklist with the Human Resources Department before receiving their final pay checks and other compensation.

4.09.1 RETIREMENT DEFINITION

To receive the additional library retirement benefits of sick leave credit and insurance continuation explained below, the library's definition of a retirement is when a full-time staff member who is vested and who is eligible to retire under PERF regulations submits an application for retirement benefits with PERF and has completed a minimum of ten (10 years) of full-time service with the Monroe County Public Library.

4.09.2 CREDIT FOR UNUSED ACCRUED SICK LEAVE

The MCPL Board of Trustees agrees to compensate employees who retire under PERF prior to January 1, 2008 for two (2) unused accrued sick days for every full year credited to PERF. The maximum amount of sick days paid is sixty (60) (30 years under PERF).

The MCPL Board of Trustees agrees to compensate employees who retire under PERF on or after January 1, 2008 for one (1) unused accrued sick day for every full year credited to PERF. The maximum amount of sick days paid is thirty (30) (30 years under PERF).

Continuation of Health Insurance

COBRA for Retiring Employees

MCPL Personnel Manual

4.09.3 Continuation of Heath Insurance Coverage:

As amended by the MCPL Board of Trustees September 12, 2007; effective January 1, 2008

Indiana law states that public employers providing group insurance to its employees must provide continuation of health insurance coverage for retirees who have reached fifty-five (55) years of age on or before the employees retirement date but who will: 1) not be eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq.; 2) have completed twenty (20) years of creditable employment with a public employer on or before the employee's retirement date, ten (10) years of which must have been completed immediately preceding the retirement date; and 3) have completed at least fifteen (15) years of participation in the retirement plan of which the employee is a member on or before the employee's retirement date. Retiree is responsible for 100% of premium payment. Specific provisions of this state law can be found under Indiana Code 5-10-8-2.6.

The MCPL Board of Trustees agrees to provide the library's monthly contribution for health insurance coverage, the same amount as that of active employee or \$416.67, whichever is less, for full-time employees retiring after age sixty (60) who elect continuation of health benefits coverage and agree to pay the balance of the premium.

Such retiree coverage and the MCPL Board of Trustees' contribution, ceases at age sixty-five (65), unless the retiree elects to discontinue such coverage earlier or retiree fails to pay employee's share of premium.

In order to be eligible for the library's contribution for continued health insurance coverage, the retiree must have completed ten (10) years of service with the Monroe County Public Library, must have been enrolled in the library's insurance plan for ten (10) years prior to the time of retirement, and must be eligible to retire under PERF regulations.

All retirees that elect the continuation health insurance coverage must pay their share of the premium and dependent coverage if applicable. Each retiree's share of the premium payment will be paid one (1) month in advance and deposited in an individual "Retired Employee's Insurance Fund". A negative balance in a Retired Employee's Insurance Fund will cause an automatic cancellation of that retiree's continuation of health insurance benefits. The Human Resources Manager will notify retirees' thirty (30) days in advance of any increase in the employee's share of the insurance premium.

COBRA for Terminating Employees

MCPL Personnel Manual

4.18 BENEFITS CONTINUATION (COBRA)

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the employer's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at the employer's group rates plus an administration fee.

MCPL or agents acting in behalf of MCPL provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the employer's health insurance plan. The notice contains important information about the employee's rights and obligations.

Note: COBRA beneficiaries generally are eligible for group coverage during a maximum of 18 months for qualifying events such as employment termination. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

Personnel Manual Updates to Reflect Joint Agreement Draft 4/28/2011

2.06 ORIENTATION

All new employees must meet with the Human Resources Department before beginning employment. All new employees will be shown how to access the MCPL Personnel Manual, which outlines the organization of MCPL, working conditions and policies. All new employees will acknowledge in writing their responsibility to read and to understand the policies contained in the personnel manual and any subsequent revisions. Department managers will oversee their new employees' on-the-job orientation to their department. All new employees will attend the General Team Orientation offered by the Library within two months of hire.

For additional notification requirements for newly hired bargaining unit employees, see Joint Agreement, Article XVI, Section 10.

2.11 ACCESS TO PERSONNEL FILES

Bargaining unit employees see Joint Agreement, Article X.

Managerial/supervisory/confidential employees.

The only *official* file kept on employees will be located in the HR Office. Access to confidential personnel files shall be limited to the employee, <u>or former employee</u>, the Human Resources Department and other persons authorized by the Library Director on a need-to-know basis.

Personnel files are property of MCPL and access to the information they contain is restricted. Only officials or representatives of MCPL who have a legitimate reason to review information in a file are allowed to do so. With reasonable advance notice, an employee or former employee may review material in his/her file. Upon request MCPL will provide the employee copies of any documents contained in his/her personnel file.

The file may be reviewed in the HR Office or a written request for copies of documents to be removed from the file can be made. A fee of ten cents per page will be charged to former employees for copies that they request from their files.

No information shall be provided to any person concerning the employment of current employees other than job title, department, date of hire, date of termination, and wages.

3.10 JOB CLASSIFICATION/PAY SYSTEM MAINTENANCE

Decisions related to the job classification system are based on planning priorities, organizational consistency, workflow changes, needs of individual departments, budget considerations, and other factors that may arise in the on-going assessment of staffing at MCPL.

When MCPL needs to add a position not currently classified, or reclassify, eliminate, or substantially modify the hours of an existing position, the changes will be reviewed by a Job Classification Committee composed of the relevant Department Manager, two representative of the Employee Forum Action Committee, and two representatives of the Staff Association. The Library Director, a representative of the Board of Trustees, and a representative of Human Resources will be present, but not voting members of the committee. In the event that one of the committee members is unable to effectively participate (e.g., due to a conflict or interest or scheduling issues), a substitute from the same group he or she represents will serve in his or her place. This committee will review and make recommendations to the Board of Trustees on matters pertaining to the classification system and the job chart, by majority vote if necessary. The Library Director retains the privilege of making a dissenting or alternative recommendation to the Board of Trustees.

Formal procedures have been developed to guide the committee.

Input from the affected individual or individuals will be considered.

A system-wide evaluation of all positions, job descriptions, and salaries may also be conducted periodically by an outside firm designated by the Library Board of Trustees. Reports from any outside firm will be reviewed by the Job Classification Committee, and a recommendation will be made to the Board of Trustees to approve or reject the findings of the report in whole or in part. The Board of Trustees would approve/reject any recommendations from reports from any outside firm or from the Job Classification Committee as required by Indiana Code 36-12-2-24.

For positions covering by the bargaining unit, see also the Joint Agreement, Article V, Section 7.

3.11 COMPENSATION

The MCPL Board of Trustees sets the minimum and maximum pay rates for all positions annually. These annual pay increases are authorized by the MCPL Board of Trustees as funding is available.

Pay increases may take any form chosen by the MCPL Board of Trustees. Possible types of pay increases include, but are not limited to:

- Cost of Living Adjustment (COLA): Approved COLA pay rates become effective at the beginning of the next budget year, unless otherwise indicated.
- Seniority increments are pay increases authorized by the MCPL Board of Trustees annually as funding is available. Seniority increments are not given to employees at the cap of the pay grade. Seniority increments are paid according to employee anniversary month [except for those employees hired into their current positions prior to July 1, 1987]. An upward change in classification changes the anniversary month. All appropriate MCPL documentation must be provided to the Human Resources Department prior to an employee being compensated.
- Stipends: Stipends are pay increases that occur as a one-time payment to staff.

Stipends may also be granted by the Library Director for work above and beyond the employee's regular job responsibilities and scheduled work time, such as special projects/assignments-i.e., strategic planning process, drafting policies and/or procedures, etc.

Non-exempt employees may not volunteer, without compensation, additional time to do the same work for which they are employed.

For temporary reassignment of a bargaining unit employee to duties of another bargaining unit classification with a higher scheduled rate of pay, see also Joint Agreement, Article XV.

3.13 MULTIPLE POSITIONS

Non-exempt employees working in more than one MCPL position shall count the combined hours worked in more than one position in determining overtime obligations under the FLSA If this situation occurs, the staff member's pay rate for the overtime hours will be that of the position being performed during those hours.

In general, employees may not hold more than one MCPL position because of budgetary impact with benefits provided. Temporary positions may be held with regular positions.

For temporary reassignment of a bargaining unit employee to duties of another bargaining unit classification with a higher scheduled rate of pay, see also Joint Agreement, Article XV.

3.15 PAY DEDUCTIONS/GARNISHMENTS

MCPL is legally required to make certain deductions from each employee's paycheck, including federal, state and local income taxes. MCPL must also deduct social security taxes on each employee's earnings.

MCPL offers programs and benefits authorized by the MCPL Board of Trustees. Eligible employees may voluntarily authorize deductions from their paychecks to cover costs to participate in these programs.

MCPL will comply with federal law or applicable state laws that regulate garnishments.

Questions concerning paycheck deductions and/or methods of calculation should be directed to the Human Resources Department.

Bargaining unit employees - See also Joint Agreement, Article VI.

3.18 LAYOFFS AND RECALL

Bargaining unit employees: See Joint Agreement, Article XIII, Seniority, and XIV, Layoff and Recall.

Managerial/supervisory/confidential employees.

Under some circumstances, MCPL may need to restructure its operations or reduce its work force.

If this becomes necessary, MCPL will attempt to provide advance notice to employees so as to minimize the impact on those affected. If possible, employees subject to layoff will be informed of the nature of the layoff and the foreseeable duration of the layoff.

In determining which employees will be subject to layoff, MCPL will consider, among other things, operational requirements; the skill, productivity, past performance, and attendance of those involved; and length of service.

All MCPL benefits will terminate at the time of layoff. Insurance coverage, though not provided, will remain available under the provisions of COBRA. Information concerning employee rights under COBRA will be provided to affected employees by the Human Resources Manager.

If an employee on layoff is recalled and does not accept the recall within three workdays, the employee will be terminated, and will be considered to have voluntarily quit. If an employee on layoff is not recalled by MCPL within 90 calendar days, the employee will be terminated and will be considered to have been terminated due to lack of work.

6.01 EMPLOYEE CONDUCT AND WORK RULES

Employees are expected to maintain high standards of personal appearance, conduct, cooperation, efficiency and economy in their work. All employees should attempt to correct any faults in their performance that are called to their attention and should also avoid behavior and actions that conflict with MCPL rules and regulations.

For unauthorized activities of bargaining unit employees, see also Joint Agreement, Article XVI.

6.09 DISCIPLINE PROCEDURES

MCPL uses progressive disciplinary action in the event a staff member fails to perform his/her job satisfactorily or is found in violation of the Library's stated policies, procedures and/or practices. Because circumstances may vary with each infraction, each situation will be handled on an individual basis. In arriving at a decision for action, the following will be considered:

- Seriousness of the infraction;
- Past record of the employee;
- Circumstances surrounding the matter; and
- Evidence provided for decision-making.

Bargaining unit employees, see Joint Agreement, Article VIII, Discipline.

Managerial/supervisory/confidential employees.

The Library normally follows these steps in the disciplinary process. The Library reserves the right to skip steps in the disciplinary process in the event of extreme behavior.

Coaching/Counseling

When a supervisor identifies a performance issue or discipline problem, the supervisor should usually first address the issue informally with the employee. The appropriateness of the steps to be taken should be considered on a case-by-case basis. Except in the case of an egregious infraction meriting serious disciplinary action, the supervisor should consider steps such as:

- Providing counseling to the employee about the problem and the need to change.
- Providing training to the employee to make sure the employee has the knowledge and skills needed to do the job properly.
- Removing any obstacles or interference that prevents the employee from performing properly.
- Providing consequences for good job performance.
- Providing feedback to the employee.

The supervisor should document these efforts on the Counseling Memorandum Form (attached), which will be signed by the employee and the supervisor. The form will be maintained in the employee's personnel file as a record of training.

The meaning of "discipline" is training, and the purpose is to ensure optimal performance. Constructive criticism, coaching, and other informal teaching methods should be exhibited by supervisors as a means of training employees and setting expectations for continued employment. This ongoing training is not part of the progressive disciplinary process and is expected to be part of the normal, day-to-day interaction between all employees-supervisors and colleagues.

[see "Counseling Memorandum"]

The types of formal discipline that may be imposed include but are not limited to: verbal warnings, written reprimands, suspension (with or without pay), and/or termination.

[see "Corrective Action Plan"]

Verbal Warning

If a performance issue has been addressed and insufficient or no improvement has resulted, the first step of the progressive disciplinary process is a Verbal Warning. The Verbal Warning is a written document, signed by the employee, the supervisor, and the next level supervisor or the Human Resources (HR) Manager. The Verbal Warning is maintained in the employee's personnel file.

This method should be used with the employee in a private area and as each infraction occurs rather than letting infractions build up over time. It should be stated to the employee that unless corrective action is taken, further disciplinary action could result, up to and including termination of employment. The date and time each infraction takes place should be noted on the Corrective Action Plan Form (attached). An employee may submit a written statement or rebuttal to a Verbal Warning which will be attached to the Form. The Form will be kept in the employee's personnel file in the Human Resources Office (HR).

See section 6.11 for further clarification on appeals.

Written Reprimand

The Written Reprimand is used if verbal warnings do not correct or improve employee behavior or performance. The written reprimand should be noted on the Corrective Action Plan Form (attached) and signed by both the supervisor and employee. It should be stated to the employee that unless corrective action is taken, further disciplinary action could result, up to and including termination of employment. This document will be kept in the employee's personnel file in HR.

Any employee receiving what he/she feels to be an unwarranted written reprimand may respond in writing to the document and the response will be attached to the reprimand retained in the employee's personnel file.

See section 6.11 for clarification on appeals.

Suspension

Suspensions, with or without pay, may be issued to any employee who does not correct the behavior addressed in a written Reprimand or as a result of continued misconduct or documented poor performance. The suspension should be noted on the Corrective Action Plan Form (attached) and signed by the supervisor, the employee and the HR Manager or next level supervisor.

It should be stated to the employee that unless corrective action is taken, further disciplinary action could result, up to and including termination of employment. This document will be added to the employee's personnel file in HR.

A suspension can last from one to five working days at the discretion of the Director and taking into account the seriousness of the infraction cited. In addition, paid suspensions may be authorized by the Director while an investigation of wrongdoing is taking place.

See section 6.11 for clarification on appeals.

Termination

Termination may result when any employee fails to correct behavior following a suspension, as a result of continued misconduct, documented poor performance, or any of the more serious infractions listed in Section 6.10. The Director or designee will give written notice to any employee being dismissed - either in person or via certified U.S. mail. The employee shall be given an opportunity to remove all personal belongings from his/her work area and will be escorted during this time by library security personnel. The employee will be given an opportunity to discuss his/her termination of employment at the Director's discretion.

See section 6.11 for clarification on appeals.

Formal written documentation must be kept in all phases of disciplinary action. Any/all documentation associated with disciplinary action will be retained in the employee's personnel file in HR.

6.10 EMPLOYMENT TERMINATION

The MCPL Library Board of Trustees delegates the discharge of any employee to the Library Director or his/her designee. The Board is informed, in a timely manner, of any employees that are discharged. The progressive disciplinary steps listed above are expected to be followed in most instances, noting that there are some infractions designated serious enough for immediate termination of employment. These include but are not limited to the following infractions:

- Falsification of information on the employment application or other job related forms or verbally to supervisors, other management, or administrative personnel.
- Ignoring, bypassing, or otherwise altering standard Library procedures or policies for personal gain or for the advantage of others without due cause or prior approval of the supervisor or administrative personnel.
- False claims of injury or illness.
- Theft.
- Unlawful or negligent handling of public monies.
- Absence from work for more than two days without notifying the Library.
- Threatening or intimidating fellow employees or the public.
- Misusing MCPL property.
- Insubordination.
- Altering another employee's records i.e., time sheet.
- Possessing firearms or other tools believed to be intended for use in an act of violence.
- Reporting to duty under the influence of, use, possession, distribution, or sale of drugs or alcohol while on the Library's premises or while conducting Library business.
- Failing to submit to a blood test, urinalysis, or breathalyzer examination pursuant to the Drug-Free Workplace Policy.
- Misusing or removing MCPL records, information, and/or equipment without prior authorization.
- Disclosing confidential information or material to unauthorized personnel.
- Excessive absenteeism or tardiness.
- Conviction of a felony.
- Use or threat of physical violence or abuse against other staff or the public during the performance of Library business or employment.
- Violating MCPL's Sexual Harassment policy.
- Violation of the MCPL Internet, computer, or email policies.

Employees may be required at any time to submit to a medical exam, at the Library's expense and selection of physician, to determine if the employee is physically and/or mentally fit to perform the duties of his/her position.

The Library will contest unemployment compensation claims filed by any staff member who was discharged for just cause under the unemployment compensation laws of the State.

For termination of a bargaining unit employee following disciplinary action, see Joint Agreement, Article VIII.

For impact on seniority of bargaining unit members who are terminated and then reemployed, see Joint Agreement, Article XIII, Section 2.

For limited conditions of reemployment following termination for unauthorized activities by bargaining unit employees, see Joint Agreement, Article XVI, Section 1.

6.11 PROBLEM RESOLUTION

Bargaining unit employees. See Joint Agreement, Article IX, Grievance Procedure.

Managerial/supervisory/confidential employees only.

The Library intends that all staff will be treated justly and considerately at all times. *If at any time* an employee feels that he/she has been treated unfairly, the employee should request a meeting *within five working days of the incident* to discuss the matter openly with his/her immediate supervisor. In most cases this is believed to be the most effective means of dealing with a problem and obtaining a resolution.

The Supervisor should meet with the employee *within five working days of his/her request*. If, following the meeting, the employee does not feel there is an adequate resolution to the issue, he/she may then follow the same steps up the chain of command in seeking a resolution, utilizing the Employee Appeal Form. The Library Director is the final step in this process.

6.12 APPEAL PROCESS

Bargaining unit employees. See Joint Agreement, Article IX, Grievance Procedure.

Managerial/supervisory/confidential employees only.

MCPL also provides employees with a defined process for appealing certain disciplinary matters to ensure that a final resolution is reached in a timely and equitable manner. Again, the spirit of this policy is to facilitate open discussion between supervisors and employees in order to resolve issues in an environment of mutual respect and objectivity without retaliation.

All employee appeals must be submitted on the <u>Employee Appeal Form</u>. This form will be utilized throughout the appeal process and forwarded to HR upon completion of the process. All appeal documents will be maintained in the employee's personnel file in the Human Resources Office.

Listed below are the methods available to employees to appeal the following types of disciplinary action.

Verbal Counseling/Verbal Warning

A written rebuttal of the infraction and/or incident for which the warning was issued may be submitted by the employee and received by the supervisor within five working days from the date the counseling/warning was issued. It will be placed in his/her personnel file in HR. The appeal process for verbal counseling/warnings stops with the submission of a written rebuttal by the employee.

Written Reprimand

A written rebuttal to the reprimand may be submitted to the supervisor within five working days from the date the reprimand is issued. It is then attached to the reprimand and stored in the employee's personnel file in HR. The employee may also request a hearing by completing the Employee Appeal Form with the HR Manager within five working days from the date the reprimand is issued.

The next supervisor up the chain of command must then hold a hearing, conduct an investigation, and subsequently make a ruling on the initial reprimand *within five working days* after the appeal is filed in HR.

Any disciplinary action that is ultimately overturned will be signed and dated accordingly in the employee's personnel file. The appeal process for a written reprimand stops with the appropriate Associate Director or Director.

Suspension

A suspension, with or without pay, may be appealed within five working days following the employee's return to work or immediately following the ruling for suspension if the appeal supervisor can arrange for a hearing to be conducted prior to the start of the suspension.

If a suspension without pay is overturned and the appeal process takes place following a payroll period, the employee will be fully reimbursed for his/her time away as quickly as possible with the issuance of a separate check.

Any disciplinary action that is ultimately overturned will be signed and dated accordingly in the employee's personnel file. The appeal process for a suspension stops with the appropriate Associate Director or Director.

Termination

The employee shall have the opportunity to appeal his/her termination of employment by the Library Director to the Library Board in an Executive Session at its next regularly scheduled meeting. This appeal *must be filed within five working days of the termination of employment*.

The Board may request that certain staff members be made available to them as a resource during this meeting. The Board will then present a written decision to the employee either overturning or reaffirming the termination of employment notice within five working days after the meeting takes place.

Witnesses

Requests for someone to sit in as a witness in disciplinary conferences will be allowed only during the appeal process. Only one person will be allowed to serve as a witness for the employee during an appeal conference and it must be an employee of the Library. A witness is allowed to speak only if he/she has direct knowledge of the issue at hand. Otherwise he/she serves merely as a witness to the event unfolding and will have no other obligation once the conference is declared over. (The witness will be required to sign a waiver stating he/she was in attendance and understands that this process is a confidential matter.)

An HR staff member may be requested to serve as witness during an appeal hearing, or the HR Office will maintain a list of staff members who have volunteered to serve as witnesses, or staff members may select their own witness. Employee witnesses who participate in this process may do so on work time, or may be paid for the time spent in the conference itself if it takes place when they are not scheduled for duty.

The HR Manager should be notified (by the appealing employee) that a witness will be attending an appeal conference at least 48 hours in advance of the scheduled meeting and will coordinate a suitable meeting room for the conference and notify all parties involved of its date, time, and place.

6.13 PERSONNEL FILE

The only *official* file kept on employees will be located in the HR Office. An employee or former employee may request access to his/her personnel file at any time. The file may be reviewed in the HR Office or a written request for copies of documents to be removed from the file can be made.

A fee of ten cents per page will be charged to former employees for copies that they request from their files.

For bargaining unit employees, see also Joint Agreement, Article X, Personnel Files.

Personnel Manual Updates to Clarify Exempt Employee Timekeeping rev 5-11-2011

3.1 WORK HOURS

Regular work hours are established for each position based on staffing requirements for MCPL.

3.2 WORK WEEK

A standard work week starts at 12:01 a.m. on Monday and ends at 12:00 midnight on Sunday.

3.3 EVENING AND WEEKEND HOURS

All employees will be expected to be available for work evenings and weekends. No overtime compensation is paid for evenings and weekends unless a non-exempt employee works over 40 hours in a work week.

Staff may be required to be available at specific times and to change their schedules to accommodate variations in work demands. Administration and supervisors will provide advanced notice, whenever possible, while retaining the flexibility to respond to unanticipated situations.

3.6 3.5 **OVERTIME**

Each MCPL employee holds a position that is designated as either NON-EXEMPT or EXEMPT from federal and state wage and hour laws.

NON-EXEMPT employees are entitled to overtime pay at the rate of 1 $\frac{1}{2}$ or compensation time off at the rate of 1 $\frac{1}{2}$ under the specific provisions of federal and state laws. For purposes of calculation of overtime, sick leave, personal leave, and holidays shall not be included as time worked. Overtime work must be approved in advance by the employee's supervisor, the department manager, and the Library Director.

Overtime Pay: Overtime pay is based on 1 ½ times the regular hourly rate which shall include the base rate plus any other pay above the base rate for all time worked above forty (40) hours in a work week.

EXEMPT employees are not eligible for overtime under the Fair Labor Standards Act and are exempt from specific provisions of federal and state wage and hour laws. They therefore do not receive pay or additional time off for working beyond the regular workday/workweek and are not entitled to overtime compensation or compensatory time off under specific provisions of federal and state laws.

- Work performed in addition to the regular work hours is customary with professional, exempt employee responsibilities. This applies to all full-time and part-time exempt staff.
- <u>Departments may allow alternate or flexible work schedules that support operational</u> needs.
- In recognition that the responsibilities of professional exempt staff may require work
 outside of regular work hours, periods of absence that are less than a day (per hours
 status) should not be charged to accumulated Personal or Sick Leave, or taken without
 pay, except as provided under the Family Medical Leave Act (FMLA).
- <u>To be considered exempt, a position must comply with federal regulations and laws regarding exempt status.</u>

Flextime — Full-time exempt employees who work thirty-seven and one-half (37-1/2) hours in a normal seven (7) day work week are required to work a total of seventy-five (75) hours in a fourteen (14) day, two-week payroll period.

_

With approval of the department manager or designee, full-time exempt employees may flex work schedules during the two-week payroll period provided that they work a total of seventy-five (75) hours in the fourteen (14) day, two week payroll period.

_

Part-time exempt employees who work twenty (20) hours in a normal seven (7) day work week are required to work a total of forty (40) hours in a fourteen (14) day, two-week payroll period. With approval of the department manager or designee, part-time exempt employees may flex work schedules during the two-week payroll period provided that they work a total of forty (40) hours in the fourteen (14) day, two-week payroll period.

_

Part-time exempt employees who work twenty-five (25) hours in a normal seven (7) day work week are required to work a total of fifty (50) hours in a fourteen (14) day, two-week payroll period. With approval of the department manager or designee, part-time exempt employees may flex work schedules during the two-week payroll period provided that they work a total of fifty (50) hours in the fourteen (14) day, two-week payroll period.

3.5 3.6 WORK RECORDS

Falsification of time sheets, timecards, or attendance records is a serious violation of work rules. Violation may subject an employee to disciplinary action, up to and including termination of employment. All employees must maintain time keeping records to satisfy Indiana statutes governing public employers.

NON-EXEMPT

It is each non-exempt employee's responsibility to accurately record all hours worked and benefit leave time/type taken using the library-provided time management system.

EXEMPT

It is each exempt employee's responsibility to record days worked and benefit leave time/type taken using the library-provided time management system.

3.12 ROUNDING

NON-EXEMPT employee work time is to be recorded to the quarter hour, using the seven (7) minute rule (i.e. leeway of seven (7) minutes before and seven (7) minutes after scheduled start and stop times). All non-exempt employee work commenced more than seven (7) minutes before the start time work hour will be rounded to the next later quarter hour; all non-exempt employee work continued more than seven (7) minutes after the end of last work hour will be rounded to the next later quarter hour.

Chapter 8: Compensation and Benefits

RECORD OF HOURS WORKED

IC 5-11-9-4 requires that records be maintained showing which hours are worked each day for employees employed by more than one political subdivision or in more than one position by the same public agency. This requirement can be met by indicating the number of hours worked on each Employee's Service Record, General Form No. 99A and/or General Form No. 99B.

The federal Fair Labor Standards Act (FLSA) requires that records of wages paid, daily and weekly hours of work, and the time of day and day of week on which the employee's work week begins be kept for all employees. These requirements can be met by use of the following prescribed general forms:

General Form 99A, Employee's Service Record General Form 99B, Employee's Earnings Record General Form 99C, Employee's Weekly Earnings Record

General Form 99C is required only for employees who are not exempt from FLSA, are not on a fixed work schedule, and are not paid weekly.

Additional information regarding FLSA rules and regulations may be obtained from the Department of Labor.

EMPLOYEE'S SERVICE RECORD - GENERAL FORM 99A

This form must be kept by each office or department for each employee in order to properly prepare Payroll Schedule and Voucher, General Form No. 99.

It **records the hours or days** worked, sick leave, vacation and days lost. It may also be used to comply with the requirements of IC 5-11-9-4 regarding recording hours worked each day by an employee. It is suggested that these be arranged alphabetically in a binder.

IC 5-11-9-4
