

"Divergent" reviewed by Saluki on June 25, 2013

Updated June 25, 2013

Book Title:

Divergent

Author:

Veronica Roth

Why did you read it? Why did you finish it? Who would you recommend it to?:

I had seen an article on the upcoming movie and decided to try reading the book. I enjoyed the concept of a dystopian future that organized society based on ideologies that were related to personality traits. It was a page turner and I think it'll be a hit with anyone looking for a fresh young adult series.

This is a:
