

"Line of Sight" reviewed by Paula G.O. on January 14, 2013

[view in catalog](#)

Title:

Line of Sight

Author:

Lucas Brunelle

This is a:

movie

Your Review:

Amazing to watch these bicycle messengers weave through traffic as they race in New York City and other places around the world. It is filmed from a helmet cam and really lets you feel like you are part of the action without coming close to being smashed by a car.
