**Why did you read it? Why did you finish it? Who would you recommend it to?:**

The Hunger Games series was lent to me by a friend who highly recommended it. I wasn't sure I would like it, because I thought it would be poorly written, however, it was great! It was very fast-paced and interesting and I got very emotionally involved in the characters. I finished it mostly because I was glued to my couch and COULD NOT put it down. It totally sucked me in! I would recommend it to any one who is interested in dystopian fiction, sci fi, or thrillers.
