Book Title:

Storm Front

Author:

Jim Butcher

Why did you read it? Why did you finish it? Who would you recommend it to?:

The book was recommended to me by someone on goodreads.com who also loved Kim Harrison's Dead Witch Walking. I finished it because it was an excellent page turner. I loved the juxtaposition of the classic PI novel with the magical twists. I would recommend the book to anyone who likes action packed mysteries or magical fantasy who is interested in an introduction to the other genera.
