

"Wings of fire" reviewed by Julie H on August 1, 2013

Title:

Wings of fire

Author:

Todd, Charles

This is a:

book

Your Review:

Very interesting! Not at all what I thought it would be about by looking at it. Thought it would be a war story and I am not into those types of novels and was delighted to find it a mystery. It's hard to put down it's that good of a book. I highly recommend.
