

Best. Folktales. Ever.

What would you do if the leader of your country ordered you to kill your parents? What if you had a talking mask that looked just like your best friend? Imagine finding a village of tiny people who all rode on rabbits. What would you say if they told you that you could live forever?

I just came across Mirra Ginsburg's The Kaha Bird: Tales from the Steppes of Central Asia .. If you like your fairy tales to surprise you, check this book out. Although Mirra Ginsburg is best known for her picture book adaptations of such tales as The Clay Boy and Two Greedy Bears , she collected stories from all over the world and retold them for children and adults.

Find her in our stacks, but fasten your seatbelt before reading these stories. They have teeth! The Kaha Bird is recommended for grades four and up.
