

# Criminal Minds

There are a lot of television shows involving criminal investigations and murder. The public must love them otherwise there wouldn't be so many. I have to admit that I've been sucked into a few of them. I've seen:

[Foyle's War](#)

[JAG](#)

[The Wire](#)

[The Shield \(We no longer have this one\)](#)

[The Closer](#)

[Bones](#)

[Mentalist](#)

[Numb3rs](#)

[Dead Zone](#)

[The Jesse Stone Series](#)

Over the weekend I picked up season one of "**Criminal Minds**" on dvd.

This show follows an elite team of FBI criminal profilers that specialize in creating detailed profiles of criminals after a crime as taken place in a local community. They are called the "Behavioral Analysis Unit" of the FBI. What's interesting is that [this really does exist](#) ..! Despite what you might think of profiling, this show does an excellent job of showing how profiling helps catch criminals quickly. There's a lot of law enforcement jargon in the show, but they reveal what it means in subsequent episodes. So, if you're into police shows and criminal investigations, here's [another one to check out](#) .. See the trailer below.
