historical

**Write a review of the book, including plot points, if you wish:**

Laura begins her life in the Big Woods. Now she has traveled a long, long way from her old home. They settle on Plum Creek where there is good land and a school. Locusts come and eat their crop! How will they pay off their new house and the other things they need? Read how she and her family worked to make it through the hard times while on the Banks of Plum Creek.

**Similar authors or titles?:**

Little House in the Big Woods, Little House on the Prairie, Farmer Boy. All by Laura Ingalls Wilder.

**Would you recommend this book?:**

Yes, it is fun to go back in time.
