**Grade:**

11

**Title:**

City of Bones

**Author:**

Cassandra Clare

**Genre:**

fantasy

**Write a review of the book, including plot points, if you wish:**

An excellent book full of fantasy, adventure, and romance, and well written. The unique plotline captures the reader's attention as well, and sets it apart from other normal fantasy books.

Definitely a good read.

**Similar authors or titles?:**

This book is part of a series called The Mortal Instruments and also includes City of Ashes and City of Glass.

**Would you recommend this book?:**

Definitely a good book for those interested in fantasy. Well written, with excellent development of characters.
