Title:
City of Bones
Author:
Cassandra Clare
Genre:
fantasy
Write a review of the book, including plot points, if you wish:
An excellent book full of fantasy, adventure, and romance, and well written. The unique plotline captures the reader's attention as well, and sets it apart from other normal fantasy books. Definitely a good read.
Similar authors or titles?:
This book is part of a series called The Mortal Instruments and also includes City of Ashes and City of Glass.
Would you recommend this book?:
Definitely a good book for those interested in fantasy. Well written, with excellent development of characters.
