Write a review of the book, including plot points, if you wish:

Superb, spectacular... these are a few words to describe this breathtaking book in which two kids, Peter Shock and Kate Dyer, are thrown into the 18th century and are unable, for the time being, to return to their own century. This book-no this series-truly knows how to bring history to life!

Similar authors or titles?:

Book 2, The Time Thief Book 3, The time Quake
