Title:

The Goddess Test

Author:

Aimee Carter

Genre:

fantasy

Write a review of the book, including plot points, if you wish:

The Goddess Test centers around on girl named Kate Winters. She meets a man named Henry who claims he can heal her mom (who has cancer) if she passes the goddess test. This is an incredible book that's based on Greek mythology and definitely keeps you guessing the entire time! It's the first book in the Goddess Test trilogy which I thoroughly enjoyed!

Similar authors or titles?:

Goddess Interrupted by Aimee Carter (book #2) Goddess Inheritance by Aimee Carter (book #3) Burning Terrors by Amanda Alexander and Samantha Johnson

Would you recommend this book?:

Absolutely! Everyone that I've recommended it to has come to me saying they loved it!
