Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I decided to read Gregor the Overlander because I had read The Hunger Games, Catching Fire and Mockingjay (which are also by Suzanne Collins) and liked them.

What is the story about?/What happened in the story?:

A boy named Gregor falls through a heating vent casing after his little sister. He then finds a mysterious new world:the Underland. He takes part in a prophecy called the Prophecy of Gray so he can go back up to the Overland. While fulfilling the prophecy, he finds his missing father.

Why did you like this story? or Why did you not like this story?:

I liked this story because the Underland's customs are so much different than the Overland's.

Other thoughts or feelings about this story? Anything else to add?:

Gregor the Overlander is the first book in a series five, so if it sounds interesting, you decide to read it (and like it) you can read the next four books!
