Write a review of the book, including plot points, if you wish:

This book is really good! It is a mystery/chase where two teens, Quest and Angela, are trying to catch the weird men following them! There is some shocking scenes in this book! You don't want to put it down!

Similar authors or titles?:

It is sort of like a milder Alex Rider novel.

Would you recommend this book?:

Absolutely! It is fast paced, action packed, and by an amazing author who visited Bloomington in April!
