Write a review of the book, including plot points, if you wish:

This book was one of the best books I have read so far this summer! Keeping The Moon, by Sarah Dessen is about a 15 year old girl who doesn't seem to have the self-confidence she needs. After losing 45 pounds she is getting called awful names by her middle school classmates. Whenever she moves to Colby for the summer to live with her aunt Mira and Norman, everything changes. She gets a job at the Last Chance Bar and Grill, and meets two waitress' who help get Colie back on track. In this book Colie finds love, friends, and the self-confidence she always had in her, to help get through the summer.

Would you recommend this book?:

I would definitely recommend this book because it reminds teenage girls that you have self-confidence in you, you just have to dig down deep and believe in yourself to find it.
