Write a review of the book, including plot points, if you wish:

The Luxe is an exciting slow-paced historical romance in New York during the end of the 19th century to the beginning of the 20th century with several love triangles. This book is like Gossip Girls a century before.

Similar authors or titles?:

Gossip Girl is probably the closest title available.

Would you recommend this book?:

I would recommend this book to anybody who has a sensible amount of patience for slower-paced books
