Book Title:

Pie

Author:

Sarah Weeks

What is the story about?/What happened in the story?:

Book, "Pie" was good as an actual pie! It's genres were mystery, family, and friendship. At the end of the story, Weeks surprised me by how the main characters(Alice and Charlie) solved the mystery. What I also liked about this book was at the end of each chapter, Weeks included many different pie recipes. It was clever of her.
