Write a review of the book, including plot points, if you wish:

I started this series this summer. Storm Front is the first book, and the series is called The Dresden Files. The book is very exciting and the story shows a believable side of magic. It's a great series, beginning with a great first book.

Similar authors or titles?:

in the series there are 13 (i think) and a graphic novel. plus a tv show on the si-fi channel.

Would you recommend this book?:

yes, i'm on the fourth book.
