Author:

Linda Sue Park

Genre:

general

Write a review of the book, including plot points, if you wish:

In this 9th book in the series, Amy and Dan travel to Jamaica and learn who the Man in Black is. I won't say who he is, you'll have to read it yourself. They also find out more about Nellie Gomez, their au pair. They also learn more about the Madrigal branch of the Cahills.

Similar authors or titles?:

Similar titles: All of the other 39 Clues books in the series.

Would you recommend this book?:

Yes. It's an awesome book series and online game!
