Book Title:

When You Reach Me

Author:

Rebecca Stead

Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

It is about the show 20,000 Dollar Pyramid and I like that show.

What is the story about?/What happened in the story?:

In the book when you reach me, a girl named Miranda found out her mother would be going on the show 20,000 pyramid. Her mother has been trying to get on the show for years. One day when Miranda gets home from school she finds her apartment door open. The next day some furniture was ruined and some paint on the walls and the ceiling. She's been collecting notes found in various places. When she finds her last note at the same time she hears her friend scream! What is wrong?

Why did you like this story? or Why did you not like this story?:

First why I like this story is because there were many different big events. And I didn't like the story because once they told you some thing big about something you had to wait till later to find more about it , but that's also good because that makes you more tempted to read it and the more you get to read the better.

Other thoughts or feelings about this story? Anything else to add?:

I would recommend this book for kids ages 7-10, who like stories with many things happening at once. I liked this book especially because I watch 20,000 pyramid, and I am very good at reading. If you are not a very good reader or impatient and in that age group I wouldn't recommend it.
