**What is the story about?/What happened in the story?:**

The book is about a kitty pet (a house cat) named Rusty. He leaves his two legs (humans) to join Thunderclan, which is a group of cats that live in the wild. Rusty became an apprentice named Firepaw. His best friend was Graypaw. When Firepaw got older he and Graypaw discovered that the clan deputy (Tigerclaw) was evil.

I would recommend this book to people who like cats and mysteries because this book is about cats who are trying to solve the mystery of Tigerclaw.
