

# Homework Help for Children in Grades K-6

Find books and online resources to help you with your homework - whether you need to complete an assignment, write a report, or do a presentation. We can help you find the right information for your need, teach you how to cite your source, and show you computer resources you can use to share your work with others. After school, or on the weekend, we are ready to help.

- **Online Homework Help Resources**

Library Research Tools and Websites for Math, Reading, Indiana, States, Countries, Flags, Presidents, and ...

- **More Homework Help Sites for Kids**

Recommended websites that collect informational resources especially for kids
