Address Bell Trace
725 North Bell Trace Circle
Bloomington, IN 47408

Description

The Active Aging Coalition is a grassroots organization consisting of seniors, their families, caregivers, and other community advocates interested in improving lives of seniors in our community. Through monthly meetings and an interactive website, we learn about each others participation in the senior community, find ways to work together more efficiently, and increase our own understanding of available resources.

Community Organizations Subjects

5 - Human Services Alliances & Advocacy Senior Citizens
