Located on the corner of Tapp Road and Adams Street. At Monroe Place, we provide thoughtful, compassionate care in a warm, lively senior living community. We develop individual care plans to meet the needs of each resident, and a full-time registered nurse is available 24 hours a day to provide clinical oversight and coordination of care. Our residents engage in a variety of stimulating activities, such as tai chi, walking club, dances, religious services, music programs, art classes, and book club. We also offer invigorating outdoor activities and cookouts in our two courtyards and covered gazebo. We are a pet-friendly community.
