

# Nonprofit Management Association

**Website** <http://mypage.iu.edu/~speanma/>

**Address** Bloomington, IN

**Description** The Nonprofit Management Association (NMA) is a student organization that seeks to foster a network of SPEA graduate students, faculty, and professionals interested in the nonprofit sector by providing professional development opportunities. We highlight nonprofit issues and the challenges that students will face as future nonprofit managers. NMA advocates on behalf of its members to supplement and to enhance the quality of education for all nonprofit students.
