

Campaign for Excellence 2011

2011 Friends of the Library Campaign for Excellence Report

Led by honorary co-chairs Ruth and Scott Russell Sanders, the second Campaign for Excellence focused on library services for adults. We surpassed our campaign goal raising \$28,927 thanks to the generous support of so many individuals and businesses.

Campaign funding has supported:

- winter and summer reading programs for adults and teens
- downloadable audiobooks and music
- equipment for homebound deliveries
- digitization equipment and support for the Indiana Room
- one-on-one adult literacy tutoring and conversation groups for English learners (VITAL)
- film series
- requests for purchase of books and movies for the collection

In addition, \$5,324 was contributed to the Friends' Collections Endowment and \$1,174 was contributed to the Friends' VITAL, Children's, and General Endowments.
